

**Rapid  
Innovation  
Take-off!**

*"The moonshots  
are here to demonstrate  
the capacity for  
10x Improvement!"*

**-Dan Kim, Director, DGS**

*"We can do new things new  
ways and we can break down  
both imagined and real barriers."*

**-Marybel Batjer, Secretary, GovOps**

*"We're only going to be as great  
as what each of you individually  
have as your vision."*

**-John Chiang, Treasurer, State of CA**

*"Each of you came through the door and into this  
training environment, bringing with you our state's  
most valued resource -**YOU... the power of one!**"*

**-Selvi Stanislaus, EO, FTB**

*"The actual moon shot is wonderful, inspirational,  
poetic and beautiful. It involved great technical  
challenges and genuine heroism."*

**-Google**
